SYMPTOMS OF CATARRH.—Dull, heavy headache, obstruction of the nasal passages, discharges falling from the head into the throat, sometimes profuse, watery, and acrid, at others, thick, tenacious, mucous, purulent, bloody and purid; the eyes are weak and watery; there is a ringing in the ears, deafness, backing or coughing to clear the throat, expectoration of offensive matter, together with scabs from ulcers; the voice is changed and has a "nasal twang"; the breath is offensive; smell and taste are impaired, there is a sensation of dizzizes, with mental depression, a hacking cough und general debility. Only a few of the above-aamed symptoms are likely to be present in any one case. Thousands of cases annually, without manifesting half of the above-symptoms, result in consumption and end in the grave. No disease is so common, more deceptive and dangerous, or less understood by physicians.

By its mill, soothing and healing properties, Dr. Sage's Catarrh Remedy cures the worst cases of Catarrh, "Cold in the Head," Coryza, and Catarrhal Headache. Sold by druggists everywhere; 50 cents.

THOMAS J. RUSHING, Esq., 2902 Pine Street, St. Louis, Mo., writes: "I was a preat sufferer from catarrh for three years. At times I could hardly breathe, and was constantly hawking and spitting, and fir the last eight months could not breathe through the nostrils. I thought nothing could be done for me.
